KW Food, Inc. was founded in 1993 in South Korea as a competitive supplier of Easy, Quick, and Healthy gourmet soup blends, various dehydrated vegetables. We have a state-of-the-art R&BD and production facility to produce extract products as well as dehydrated produce, while allowing our products to remain fresh. We are continuing to improve our product quality and the satisfaction of our customers. We also achieved ISO 9001: 2000 and KSA 9001: 2001. Our Sales revenue reached more than \$10 million in 2009.

To provide the safest products to our customers, we thoroughly control and enhance every step of production. From food material purchasing to manufacturing, distribution, and post sales service, carefully selected vegetables are closely managed from growth to harvest, then to handling and drying to storage. Each process follows our strict quality control system guidelines.
